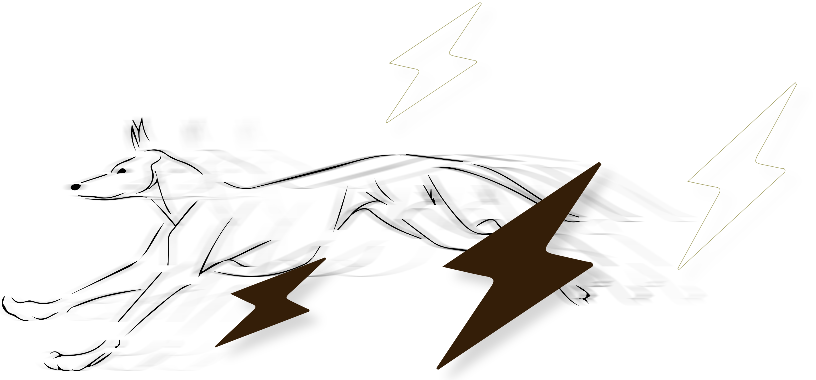
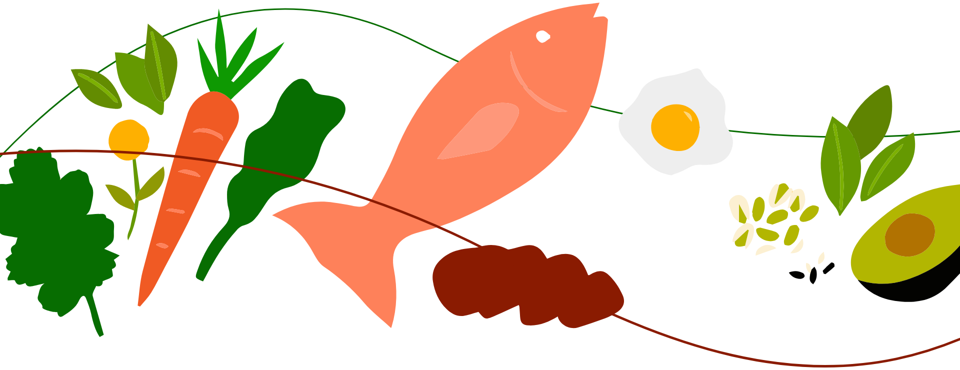
Innovative **Glazed Croquette.**

The range of **Legend** compromises of two methods of production namely processing extrusion & cold pressed. The corn extrusion aids **digestibility** whilst the glazing of proteins, vitamins and minerals aid to **supplement** the dogs with all the bio availability of nutrients.



High **Activity.**



Vitamin **Protection**.

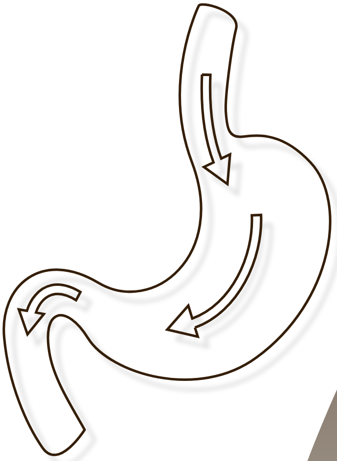
All ingredients in **Legend** are antenatally
selected to ensure palatable, healthy foods which **guarantee**
longevity & holistic lifestyle.

up to

70%

High in **Protein**.

No **Gluten Ingredients.**



High **Digestibility.**
